

No Steve – **JUST JOBS**

Manager Maintenance (f/m/d)

Our client is a worldwide leading manufacturer for innovative technology products. We are looking for a **Manager Maintenance (f/m/d)**, located in the **Aachen-Heinsberg** area.

Your responsibilities:

- Evaluate and improve functionality and reliability of facility systems and associated equipment by conferring with operating departments; identifying problems and requirements
- Maintain function and reliability of facility systems and associated equipment by implementing a preventive maintenance program; operating and testing systems and equipment
- Provide leadership and management to the maintenance team
- Set priorities, supervise tasks, monitor performance, ensure adherence to plant procedures and delegate work
- Meet maintenance operational standards by contributing maintenance information to strategic plans and reviews
- Meet maintenance financial standards by providing annual budget information; monitoring expenditures; identifying variances; implementing corrective actions
- Maintain a safe and healthy work environment by following standards and procedures; complying with legal codes and regulations
- Development and implementation of facility management structure
- Third party selection for maintenance contract
- Third party coordination and safety instructions for maintenance and other support
- Support of the European Management during the absence of the Plant Manager in managing the facility

Your qualification:

- Studies in technical engineering (mechanical or electronics)
- Several years of experience in a managing position with staff responsibility
- Hands-on, practical attitude to support and work with your team on the shop-floor
- Knowledge of business administration desirable
- Strong ability in technics, mechanics and electronics
- Knowledge of programmable logic control
- Business fluent in English and German language (written and spoken)

Our offer:

- An exciting task in an international and growing environment with flat hierarchies
- An excellent working atmosphere and the opportunity to develop your own ideas
- The opportunity for professional development and excellent pay
